

# 21st Century Instructional Initiative Grant Recipients 2016-2017

## MakerSpace

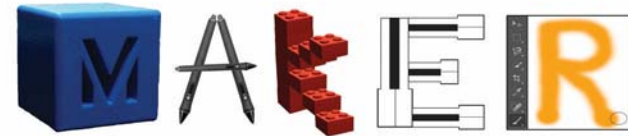

**Oliver Beach Elementary School**

**Molly Bissell, Principal**  
**Barbara Cosgrove, Grant Liaison**

### STEM Focus

*The Makerspace provided real-world application to questioning, research and presenting information. These skills align directly with the AASL Standards, as well as the P21 skills that our students need to be productive 21<sup>st</sup> Century citizens. Students were able to apply STEM technology and higher level thinking to a multitude of challenges. They were also able to develop collaboration skills by working in teams.*

- Exploration
- Revision
- Refinement
- Checklist evaluations
- Positive collaboration & behavior
