

# 21st Century Instructional Initiative Grant Recipients 2016-2017

## Masterpieces, the Molding of Minds

Catonsville Center for Alternative Studies

Jewell Ralph, Principal

Tharon Washington, Grant Liaison

Global Awareness

*The Masterpieces, Molding of Minds Project equipped students with lifetime skills by addressing the social, emotional and academic needs for all students to be successful during and after transitioning from an alternative program into a general education setting.*

- Provided mentoring sessions
- Sustained student growth through character education
- Developed perseverance
- Provided tools for Global Awareness beyond graduation
