

# 21st Century Instructional Initiative Grant Recipients 2016-2017

## National Aquarium's Aqua Partners Program

Holabird Middle School

**Julie Dellone, Principal**  
**Richard Wright, Grant Liaison**

Environmental Literacy & STEM Focus

*The National Aquarium's Aqua Partners Program uses the Chesapeake Bay and the surrounding watershed as a context for engaging students in learning about local environmental history, natural resources, and the issues impacting the health of the Chesapeake Bay through cross curricular, hands on activities, and field experiences.*

- Hands on science investigation
- Discovery labs
- Interactive theater programs
- Written communicative skills
- Compilation of data
