

21st Century Instructional Initiative Grant Recipients 2016-2017

NorthBay Adventure

Dundalk Middle School

Seth Barish, Principal
Ken Compher, Grant Liaison

Instructional Focus
Theme

NorthBay provides a 5 day non-formal education program that challenged our sixth grade students to consciously think about their actions and the effects their actions have on their futures, the environment and the people around them.

By the conclusion of this experience, Students understood how their actions affect the environment and their futures.
