

21st Century Instructional Initiative Grant Recipients 2016-2017

Phase 1: A Collaborative Tile Project

Randallstown High School

Aubrey Brown, Principal
Martha Kent Jacobs, Grant Liaison

Arts & Culture

Part I of a two Phased project. Students involved in the creative process received instruction from professional ceramicist, Ms. Parran Collery, studio experience in making tiles, in preparation for a narrative ceramic display in the main lobby of Randallstown High School.

- Creative process planning
- Fosters enthusiastic community response
- Pride in beautification of school
- Cooperation in design and planning
- Collaborative benefits
