## Art for a Cause

**Golden Ring Middle School**  
**Charlyne Maul, Principal**  
**Camille Gibson, Grant Liaison**  
**Art & Culture and Community Involvement**

*Students researched and discussed how artists use their artwork to address problems in their communities. Students created an art program that provided an opportunity to use their artworks to make meaningful changes and bring awareness to issues that affect their community. The theme of the art show was Autism. Health organizations educated students, parents, staff, and community leaders about the impact of Autism. Art for a Cause raised money for a local Autism organization. Artworks were created by students and donations accepted. Various form of Art such as dance and music performed to show their support. Students learned the importance of community involvement.*
