Ceramic Bowl Donation to Empty Bowls Initiative

Woodlawn High School

Georgina Aye

Hannah Shinozaki

Arts & Culture, Global Awareness

Wheel-thrown ceramic bowls were created by students and donated to Empty Bowls, a fundraiser orchestrated by St. Vincent de Paul of Baltimore. Their mission is to end hunger in the Baltimore area and they need bowl donations to support this work.

- This project aligns with 3 of the 4 BCPS Visual Arts Standards , which address all steps of the artistic process
- This project is very student centered and allows for a lot of student creativity and expression, therefore increasing engagement and higher student success.
- This project allows students to connect with their community because Empty Bowls is a local initiative that provides food to the Baltimore area.
- This project challenges students to use their art knowledge and skills to focus on real-world problem and decision making.
