

# 21st Century Instructional Initiative Grant Recipients 2017-2018

## MAKE Your Career

Rosedale Center for Alternative  
Study

Paul Martin, Principal

Heather Jennings, Grant Liaison  
STEM

*High school students in school-to-career classes learned about entrepreneurship and STEM careers by visiting OpenWorks, a local makerspace facility. Students toured the facility and engaged in hands-on workshops.*

- Using a laser cutter to construct 3D objects created on a computer
- 3D printing components and design
