21st Century Instructional Initiative Grant Recipients 2017-2018

Our Shared Human Experience: The Unique & Universal

Matt Ames, Principal
Melanie Coates, Grant Liaison
Arts & Culture, Global Awareness

Grade 10 students traveled to the Holocaust Memorial Museum and the National Gallery of Art in Washington, D.C. in order to conduct a comparative study of how the human experience is shared through memorials and artwork in order to design and explain their own Holocaust memorial.

- Comparisons of artist style and rhetorical choices
- Discussions of artists' purposes and text types
- Analytic writing and public speaking
- Field experience
- Collaborative design process and composition of artist statement
