

21st Century Instructional Initiative Grant Recipients 2016-2017

A Sound Investment

Pikesville Middle School

Kalisha Miller, Principal
Chantel Yadush, Grant Liaison

Arts & Culture

The focus was to improve musical performances by allowing students to have more ownership in their musical products and performances. Students were able to experience what it is like to be in the teacher role. Three performance ensembles met or exceeded standards over last year's results.

- Improved sight-reading skills
- Self, peer and teacher-guided assessment in class
- Quicker music improvements thru recording devices
- Critical thinking
- Inter-personal skills development
