

21st Century Instructional Initiative Grant Recipients 2016-2017

Bedford Elementary's Bee Gardening Club

Bedford Elementary School

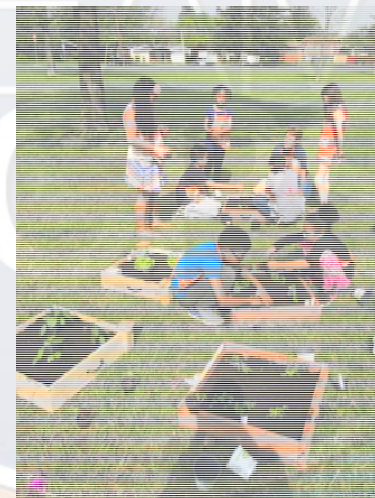

Christina Connolly, Principal
Kristen Loscomb, Grant Liaison

**Health Literacy & STEM related
Themes**

Students participating in this afterschool club increased their environmental and agricultural awareness in order to improve their quality of life.

Students were empowered gaining the knowledge and values to make healthy food choices and support not only themselves, but also their community in developing and appreciation for their environment.

- Patience, Dedication, Care, Problem Solving Skills
