Explaining Our Past Using Today's Tools to Build a Captivating Future Edgemere Elementary School

Jennifer Lynch, Principal
Sandy Bixby, Grant Liaison

Civic Literacy & Global Awareness

By exploring the history of school and the surrounding community, the project introduced several tools to help make presentations interesting. A pictorial written and oral history of school and community was created. Over 200 students, parents, community members and elected officials attended project night. Real life meaningful research pertinent to our community was showcased.
