## Little Coders Club

Mays Chapel Elementary School

Steve Coco, Principal  
Katherine Cox, Grant Liaison

STEM Focus

*The initial goal of our Little Coders Club was to expose young students to the power of coding. Students utilized tools and resources like Code.org and Ozobots to extend learning and apply new skills that build the foundation for computer science.*

- Lesson plan collaboration
- New partnership developed amongst staff
- Furthered evolution of maker movement
- Problem solving & critical thinking
