

# 21st Century Instructional Initiative Grant Recipients 2016-2017

## NorthBay Adventure

**Loch Raven Technical Academy**

**Stacey Johnson, Principal**  
**Robin August, Grant Liaison**

### Environmental Literacy

*While at NorthBay, students received journals which were used throughout each day to make predictions, record data, draw conclusions, and set goals to apply their learning to their community back home. Through both their land and aquatic observations, real world data was collected, graphed and analyzed*

- Scientific vocabulary introduced
- Integrated with mentoring New Leaders Program
- Character development
