## Reaching Students Through Restorative Practices

Loch Raven Technical Academy

Stacey Johnson, Principal  
Jessica DeShields, Grant Liaison  
Health & Civic Literacy

*Grades six through eight were directly impacted through this project. All classroom teachers and instructional staff received professional development in the area of Restorative Practices provided by Dara Feldman. The teachers and staff learned how to implement restorative practices within their classrooms and throughout the school.*

- School safety
- Supports academic & social/emotional growth
- Reduced the number of major discipline referrals
- Addressed conflict resolution
