

21st Century Instructional Initiative Grant Recipients 2017-2018

2018 Family STEAM Night Winand Elementary School

Debita Basu, Principal
Kelsey Pope, Grant Liaison

Science, Technology, Engineering, and Mathematics

Grades Pre-K through 5 and their families were directly impacted by our 2018 Family STEAM Night. The Maryland Science Center provided hands on student friendly experiences that reinforced creative thinking and collaboration. My Reptile Guys encouraged a sense of global awareness through exploration of animals, habitats, and human/animal relationships on the environment.

- Increased excitement for STEAM
- Promoted family engagement
- Encouraged creative thinking
- Created animal appreciation
- Sparked curiosity
