Drama Club

Victory Villa's Drama Club, which included 20 student actors from grades 1-5, performed in this year's production of "A Walk in the Woods". This wonderful grant allowed us to...

- Create a beautiful canvas backdrop painted by our school's Art Club.
- Design and create props important to the set design and actors.
- Dress our actors in amazing costumes to enhance the production.
- Be heard with the purchase of boom microphones that hung from the stage.
- Promote the performance with flyers, tickets, and playbills.
