## Student Council Leadership Support Parkville Middle School Erin O'Toole-Trivas, Principal Jennifer Allmond, Grant Liaison Civic Literacy

*Students in grades 6 through 8 were impacted through this project. Students were given the opportunity to attend several leadership workshops. They used their new leadership skills to create activities for the entire student body.*

- Students developed leadership skills with students from other schools and counties
- Students worked to improve school climate through school-wide activities
- Grades 6 through 8 shared a voice to address needs for the entire school
- The 6<sup>th</sup> grade is very involved and will continue the leadership group for future years.
