Grant Liaison/Team
Art & Culture
Global Awareness

A Cultural Diversity Day was planned to celebrate differences as a positive contribution to improving interactions in schools and neighboring communities. The overall goal was to provide culturally rich activities for students in the ESOL as well as other programs of learning in BCPS, staff, parents and community stakeholders that celebrate their cultural heritage.

- Support academic, social and emotional growth
- School and community collaboration
- Cultural Diversity
- Global music, arts, and foods
- Civic responsibilities
