

Team BCPS Clean Green: 15 Litter Challenge 2018-2019

Animal Encounters and Keeping it Green and Clean

Reisterstown Elementary School

Pamela Oliver-Jones, Principal
Julie Minch, Grant Liaison
Environmental Literacy

The MD Zoo brought animals over four days to ensure that every grade had a close up and personal experience with the animals. We also purchased reusable gloves to use in the garden and to pick up trash. A dozen terrariums for classroom use and some fencing to keep balls and little feet out of the garden.

- Zoo Encounters
- Reusable gloves
- Terrariums for the classroom
- Fencing for our garden
