

21st Century Instructional Initiative Grant Recipients 2018-2019

Connecting Diverse Learners through Visual Literacy

Grange Elementary School & Towson High School

Emma Popp & Lindsay Miller, Liaisons
Nancy Hill & Charlene DiMino, Principals
Art & Visual Literacy

Students in first grade and high school will design community monuments through drawing and sculpture. Student's work will be published in a book that will be distributed to participants and local libraries. This project develops visual literacy, builds reading and writing skills through engaging themes and objectives and provides meaningful, collaborative experiences.
