

Excellence in Education Grant Recipient 2018-2019

Food & Sustainability Night

Lutherville Lab Elementary
Mrs. Molly Bissel
David Paul & Gretchen
McGee
Farm to Table

Students learned about reassures utilized from farm to table. Students had the opportunity to plant, grow and taste their own microgreens.

- Program facilitate a family involvement
- Build a sense of community
- Increase motivation with our Green school initiative
- Students' analysis how plants grow by growing their own gardens,
- Inspired students to eat healthy and to waste less food/resources.
