

# 21st Century Instructional Initiative Grant Recipients 2018-2019

## Our School: Story of Waste

**Wellwood International  
Principal: Jodi O'Neill  
Grant Liaison: Morgan Stein**

**Environmental Literacy  
Global Awareness  
STEM**

*Grades K-5 students were directly impacted from this project. In partnership with OUR Schools (Elemental Education), students learned about the life cycle of products in order to help reduce waste. Students were empowered to use technology to create digital stories personifying clothing items and imagining their adventures through the items' life cycle.*

- MD Green School Recertification
- School Community Involvement
- School wide Initiative
- Knowledge of Environmental Impact
