

21st Century Instructional Initiative Grant Recipients 2018-2019

Preparing Citizens for a Future of Choices

Orems Elementary
Matthew Winaker, Principal
Kelly Jackson, Grant Liaison

Financial, Economic, Business, and Entrepreneurial Literacy and Civic Literacy

Each fifth-grade student at our school gained a positive outlook on their future and their journey to becoming globally competitive citizens in our culturally diverse world. By participating in the JA Biztown program students

- understand the process of endorsing checks, creating deposit tickets and withdrawing money from a bank account,
- can describe rights and responsibilities of citizenship, and
- can explain the purpose of a resume and job application.
