The Education Foundation of Baltimore County Public Schools, Inc., was organized on October 26, 1992, as the Baltimore County Public Schools Education Foundation, Inc., under Section 501 (c) (3), to attract and direct public financial contributions to programs and activities of the school system in support of quality education for all children.

### MISSION STATEMENT

To provide and facilitate community and corporate funding to support the Superintendent's vision that aligns with the goal of developing lifelong learners.

### VISION

All BCPS students will have the resources supported by quality instruction and the opportunity to further education to enable them to graduate globally competitive. All Baltimore County Public School educators will receive the opportunity to acquire financial support for programs that fall within the priorities of the district.

### GOALS

- Provide support towards the Superintendent's districtwide initiatives
- Provide scholarship opportunities to BCPS students to attend post-secondary education and obtain the knowledge and skills needed to be globally competitive
- Provide schools and offices the opportunities to apply for school-based grants that address one of the 21st Century themes:
  - Financial, Economic, Business, and Entrepreneurial Literacy
  - Environmental Literacy
  - Arts and Culture
  - Science, Technology, Engineering, and Mathematics (STEM)
  - Health Literacy
  - Global Awareness
  - Civic Literacy
