

# 21st Century Instructional Initiative Grant Recipients 2019-2020

## *The Story of Waste* The Chatsworth School Andrea Derrien Travis Russell Environmental Literacy Green Education

*Write a brief description about your grant and the impact it has had on your school HERE with 5 bullet points or less 25 words or less)*

- Students K-2 learned how to prevent waste and experienced a day in the life of a T-shirt.
- Students 3-5 learned how to prevent waste and completed a research presentation.
- Mr. Gabe engaged students and sang songs with all grade levels about Herbert the T-shirt.
- Chatsworth enhanced the experience by creating a week long Earth Week celebration led by students of our Green School Club.
- Students had hands on experiences to sort recyclables and showcase their knowledge for the entire school.
